**Family Medicine Graduation Year** - The year a resident completes Family Medicine training.

**Number of Residents Who Completed Training** - The total number of Family Medicine residents with a training end date during the graduation year.

**Taken** - The total number of First Time Taker exams taken by the residents who graduated during the graduation year.

**Passed** - The total number of First Time Taker exams passed by the residents who graduated during the graduation year.

**Failed** - The total number of First Time Taker exams failed by the residents who graduated during the graduation year.

**Take %** - The percentage of exams taken divided by the number of residents who completed training in the graduation year.

**Pass %** - The percentage of exams passed divided by the number of residents who completed training in the graduation year and took the exam.

**Program Average** - The program average scaled score for all first time examinees who completed training in the graduation year. N/C if less than 3 residents took exam

**National Average** - The nationwide average scaled score for all first time examinees who completed training in the graduation year.
