

5-Year Cycle

3 Things to Know About the Exam Requirement

1. No More One-Day Exam

You are NOT required to take the one-day exam before you begin the 5-Year Cycle.

2. Longitudinal Assessment Instead

To meet your exam requirement, you'll complete the longitudinal assessment over three to four years.

3. Flexibility and Convenience

You can choose whatever day, time, and location works best for you to answer 25 quarterly exam questions.
