Hennepin County Family & Community Medicine Adolescent Medicine Fellowship

Minneapolis, Minnesota

1280000001

3/7/2018

5-Year Performance Period	Number of Fellows Who Completed Training	Exams for First Time Takers						
		Taken	Passed	Failed	Take %	Pass %	Program Average	National Average
2013-2017	0	0	0	0	N/A	N/A	N/C	189

5-Year Performance Period - The reporting period. (5-year reporting period or based on program accreditation)

Number of Fellows Who Completed Training - The total number of Family Medicine fellows with a training end date during the performance period.

Taken - The total number of First Time Taker exams taken by the fellows who completed training during the performance period.

Passed - The total number of First Time Taker exams passed by the fellows who completed training during the performance period.

Failed - The total number of First Time Taker exams failed by the fellows who completed training during the performance period.

Take % - The percentage of exams taken divided by the number of fellows who completed training in the performance period.

Pass % - The percentage of exams passed divided by the number of fellows who completed training in the performance period and took the exam.

Program Average - The program average scaled score for all first time examinees who completed training in the performance period. N/C if less than 3 fellows took exam.

National Average - The nationwide average scaled score for all first time examinees who completed training in the performance period.
