The ABFM has partnered with the Association of Family Medicine Residency Directors (AFMRD) to conduct a standardized National Graduate Survey of ABFM certified physicians three years after residency completion. This report contains the responses of your graduates with national comparisons. The ABFM and AFMRD hope you will use these data to evaluate your program and take steps to address any gaps. This survey will fulfill ACGME Program Requirements.

A word about methodology. Each year, the survey is open from January to December and a new cohort of graduates will be surveyed. Each year’s cohort graduated 3 years prior; for example, the 2020 data are from 2017 residency graduates. Reports will be available in April each year to allow time for the ABFM to clean the data and create the reports. Additionally, each year an AFMRD advisory committee will review data, survey performance, and content prior to the release of the reports.

To ensure ABFM Diplomate confidentiality, we have censured residency-specific reports in a given year when fewer than three eligible graduates from a residency respond. Residencies with fewer than three respondents will receive a report with the national averages.

**Methodology Notes**

Responses to the “other, please specify” options on multiple questions will be monitored by the ABFM and AFMRD advisory committee and new categories may be added in future surveys. If you desire the responses for your graduates to these questions, please contact the ABFM via the Graduate Survey page in RTM.

**Practice Location**

The actual primary practice address was collected, then geo-coded, and linked to the graduates’ county and state of practice. We used data from the Area Health Resource File (http://ahrifhrsa.gov/) to determine the county’s status as a whole county HPSA and determined Urban and Rural Designation from the 2013 Rural Urban Continuum Code (RUC C). We collapsed the 9 category RUC C into 4 categories based on population size: 1-3 are Urban; 4-5 are Micropolitan; 6-7 are Large Rural; 8-9 are Small Rural. See the RUC C website for more information (https://www.ers.usda.gov/data-products/rural-urban-continuum-codes/documentation/).

**Holding Certificate of Added Qualification**

We used ABFM administrative data to determine whether respondents held an ABFM sponsored Certificate of Added Qualification (CAQ) or a Designated Focused Practice in Hospital Medicine.
Do you currently provide any direct patient care?
- Yes 1725 (99%)
- No 23 (1%)

If you do not currently provide any direct patient care, check one reason why:
- Personal Leave (e.g. parenting, caregiver, etc) 52%
- Administrative / leadership position 13%
- Research position 17%
- Career / job change 17%
- Other 0%

Do you intend to return to providing any direct patient care in the future?
- Yes 18 (78%)
- No 5 (22%)

Are you currently practicing outpatient continuity care?
- Yes 1407 (82%)
- No 315 (18%)

If you are not currently practicing outpatient continuity of care, check one principal professional activity from the list below:
- Emergency Medicine 13%
- Urgent Care 20%
- Hospitalist 47%
- Sports Medicine 4%
- Geriatrics 1%
- Palliative Care 5%
- Sleep Medicine 9%
- Pain Management 9%
- Other 9%
For the sites other than your principal practice where you routinely see patients, please indicate how many face-to-face patient encounters you have at the site in a typical month.

Other than your principal practice site, where else do you routinely see patients? (Select all that apply)

Do you currently work in a practice or for an organization where you completed a clerkship or another part of your training during medical school?

Do you currently work in a practice or for an organization where you completed part of your residency training?
Please estimate your typical number of hours worked across all of your practice location in each of the categories below. This should sum to your typical total hours per week; please do not double count hours. Please do not include volunteer or call.

**Number of patient encounters in a typical full day (if you only work half day increments, multiply by 2 to get full day number):**

- 32
- 4
- 3
- 6
- 10
- 8
- 6

**Do you take after-hours calls for your principal practice?**

- Yes 995 (59%)
- No 691 (41%)

**Do you see patients on weekends and/or evenings?**

- Yes 810 (48%)
- No 876 (52%)
For each of the subject areas and procedures listed below, please indicate whether your residency training prepare you or not

Are you certified by any other boards besides ABFM (not including Certificates of Added Qualifications / CAQs)?

- Yes 168 (10%)
- No 1502 (90%)

If yes, which? (Check all that apply)

- American Osteopathic Board of Family Physicians - AOBFP 36%
- American Board of Internal Medicine - ABIM 6%
- American Board of Psychiatry and Neurology - ABPN 2%
- American Board of Emergency Medicine - ABEM 5%
- American Board of Preventive Medicine - ABPM 8%
- Canadian College of Family Physicians - CCFP 7%
- Other certifying boards 42%

Number of Respondents with an ABFM sponsored Certificate of Added Qualification (CAQ)

- Adolescent Medicine CAQ 2%
- Designation of Focused Practice in Hospital Medicine 1%
- Geriatric Medicine CAQ 0%
- Hospice and Palliative Medicine CAQ 0%
- Pain Medicine CAQ 0%
- Sleep Medicine CAQ 0%
- Sports Medicine CAQ 5%
- No CAQ / Designation 92%

National N 1748
Which of the following programs have you participated in? (Select all that apply)

- None
- J1 Visa Waiver
- National Health Service Corps Scholarship
- National Health Service Corps Loan Repayment
- National Institutes of Health Loan Repayment Program
- Public Service Loan Forgiveness program
- State Sponsored Scholarship
- State Sponsored Loan Repayment
- U.S. Military Scholarship or Loan Repayment
- Hospital- or employer-sponsored loan repayment
- Other service obligation, scholarship, or loan repayment

In the most recent tax year, what was your pretax clinical income, combined from all sources, including bonuses but excluding benefits (yours alone, not household)?

- < $125,000
- $125,000 to $174,999
- $175,000 to $199,999
- $200,000 to $249,999
- $250,000 to $299,999
- ≥ $300,000
Do you ever teach any of the following? (Select all that apply)

- Pre-Med (undergraduate students): 19%
- Medical students: 55%
- Residents: 42%
- Fellows: 8%
- Nursing students: 7%
- Nurse practitioner students: 24%
- Physician assistant student: 19%
- Other healthcare professionals: 16%
- None of the above, do not teach: 26%

Are you a faculty member of a department of family medicine or a family medicine residency program?

- Yes, core/salaried faculty: 14%
- Yes, volunteer/clinical faculty: 17%
- No: 69%

Do you yourself participate in a practice-based research network or other research activities?

- Yes 292 (18%)
- No 1376 (82%)
